**Meditation** – Once upon a time...that's how some of the most familiar stories begin. These stories quite often conclude with the declaration that everyone lived happily ever after. We like these kinds of stories. They make us feel good, but we all know that they aren't true. They're cute and entertaining, but not a whole lot more than that. So, how about the story of this day? Once upon a time, Jesus conquered death, and they all lived...forever in Paradise!

## Quiet and Personal Confession

*Consider this Prayer of Confession:*

O God, we are here this morning because we know that You have done something very special for us. We know that we need to be forgiven, and that You have died in our place so that we may be free. We know that You have blessed us, far beyond what we could ever deserve.

We should be meek and humble before You, but we often repay You with arrogance and apathy. We should live a life of joyful and sacrificial service, but we quite often seek something that is far more comfortable than that. We should love You with all of our heart, soul, mind, and strength, but we are already devoted to far lesser things. Please forgive us, and please renew a right Spirit within us. In Jesus' name we pray, Amen.

## ***All The Earth Will Sing Your Praises***

You lived You died  
You said in three days  
You would rise  
You did You're alive  
You rule You reign  
You said You're coming  
    back again  
I know that You will  
And all the earth will  
    sing Your praises  
All the earth will sing  
    Your praises

You took  
You take our sins away O God  
You give  
You gave Your life away for us  
You came down  
You saved us through the cross  
Our hearts are changed  
Because of Your great love  
All the earth will sing  
    Your praises

---

## ***Alive & Breathing***

What holds your heart  
What stirs your soul  
What matters come to mind  
The cares you keep  
The thoughts you think  
It's not all wasted time  
Seek and you will find  
Joy still comes in the morning  
Hope still walks with the hurting  
If you're still alive and breathing  
Praise the Lord  
Don't stop dancing  
    and dreaming  
There's still good news  
    worth repeating  
So lift your head and  
    keep singing  
Praise the Lord

The years roll by  
We wonder why  
We lost our way from home  
Our Father finds  
The child inside  
We left for growing old  
Awake awake awake my soul  
Let everything let everything  
Let everything praise the Lord  
In the working in the waiting  
Let it praise the Lord  
In the blessing in the breaking  
Come on praise the Lord  
In the dying the rising  
Let it praise the Lord  
Let it praise the Lord  
Praise the Lord

---

## ***Here I Am To Worship***

Light of the world  
You stepped down into darkness  
Opened my eyes let me see  
Beauty that made  
This heart adore You  
Hope of a life spent with You  
So here I am to worship  
Here I am to bow down  
Here I am to say that  
    You're my God  
And You're altogether lovely  
Altogether worthy  
Altogether wonderful to me

King of all days  
Oh so highly exalted  
Glorious in heaven above  
Humbly You came  
To the earth You created  
All for love's sake became poor  
And I'll never know  
    how much it cost  
To see my sin upon that cross  
And I'll never know  
    how much it cost  
To see my sin upon that cross

---

## **Forever**

The moon and stars they wept  
The morning sun was dead  
The Savior of the world  
was fallen  
His body on the cross  
His blood poured out for us  
The weight of every  
curse upon Him  
One final breath He gave  
As heaven looked away  
The Son of God was  
laid in darkness  
A battle in the grave  
The war on death was waged  
The power of hell forever broken  
The ground began to shake  
The stone was rolled away  
His (perfect) (reckless) love  
could not be overcome  
Now death where is your sting

Our resurrected King has  
rendered you defeated  
Now forever He is glorified  
Forever He is lifted high  
And forever He is risen  
He is alive and He is alive  
We sing hallelujah we  
sing hallelujah  
We sing hallelujah the  
Lamb has overcome  
We sing hallelujah we  
sing hallelujah  
We sing hallelujah  
And now death where  
is your sting  
Our resurrected King  
has overcome  
He's overcome oh

---

## **O Praise The Name**

I cast my mind to Calvary  
Where Jesus bled and  
died for me  
I see His wounds His  
hands His feet  
My Saviour on that cursed tree  
His body bound and  
drenched in tears  
They laid Him down in  
Joseph's tomb  
The entrance sealed  
by heavy stone  
Messiah still and all alone  
O praise the Name of  
the Lord our God  
O praise His Name forevermore  
For endless days we will  
sing Your praise  
Oh Lord oh Lord our God

Then on the third at  
break of dawn  
The Son of heaven rose again  
O trampled death where  
is your sting  
The angels roar for  
Christ the King  
He shall return in robes of white  
The blazing sun shall  
pierce the night  
And I will rise among the saints  
My gaze transfixed on Jesus' face
