DPC Mission Focus – Hope Center for Kids

The Hope Center for Kids is a faith-based after-school and summer program for K-12 students in North Omaha. Hope Center was established in 1998 by the late Pastor Ty & Terri Schenzel, with a vision to inspire hope in the lives of children. Now The Hope Center operates everyday with a mission to faithfully inspire hope in the lives of youth and children through education, employability, collaboration, and faith. Each day members receive academic support, a nutritious meal, and faith-based learning opportunities. In 2021 The Hope Center reopened the former Hope Skate as the Schenzel Community Center. The community center has provided the ability to expand programming to more groups and age ranges. To learn more about The Hope Center or to get involved visit hopecenterforkids.com.

Meditation – People often wonder and try to decide what their favorite animal is, or they might even imagine what animal they would want to be if given the choice. Most people choose animals with certain unique abilities and charming characteristics. Nobody chooses to be a worm, eating dirt, or an ugly opossum that you can smell from a block away. We want to choose and we want to be an animal that we like! Jesus declares that we are like lost sheep. It's not a wish. It's the truth.

Quiet and Personal Confession

Consider this Prayer of Confession:

O God, we continue to refuse to accept the truth about ourselves. We resist and reject Your definition of our condition. You have declared that we are sheep in need of a shepherd, but we refuse to admit our need of the blessings that only You can provide. You have the skill and the knowledge to protect and to provide for us, but we continue to live as if You cannot be trusted. You know where it is that we need to go, but we live as if we know the future better than You ever could. You know our enemy, and You have given everything to save us, but we live as if spiritual threats are not real or important. Please forgive us for our lack of humility and obedience, and please guide us back to where You are. In Jesus' name we pray, Amen.

Call To Worship Keith Holmes

Because of our nature; because of who and what we are, we need a shepherd. We need to be led and we need to be fed and protected.

When Jesus looked at us, He saw that we are hopelessly lost. He sees that we have been scattered and that we are far from home.

The thief comes only to steal and to kill and destroy. Jesus came so that we may have life and so that we may have life abundantly.

Even in the darkest times, and even confronted with the reality of death, Jesus is with me. He guides me toward eternity with Him.

The sheep of the Lord's pasture will not follow a stranger. They seek the guidance of the Good Shepherd and the comfort of His presence.

Jesus calls, and we hear His voice. He calls out to us by name and He leads us out. He goes ahead of us and we follow Him because we know His voice.
