Meditation – Faith and fear will always be closely tied to each other. When we are afraid of something, it is because we believe that something is a legitimate threat to us. Sometimes we are misguided in that assumption. Sometimes our fears, and therefore our faith, is unfounded. When we have faith in something, we're probably afraid that we'll have to stand alone. Faith is much more difficult than fear. So, which one is a more powerful force in your life?

Quiet and Personal Confession

Consider this Prayer of Confession:

O God, we know that it is our glorious responsibility to follow in the footsteps of the disciples. We know that we have been forgiven of our sins, so that we may live a life of joy and worship, but we confess that we struggle to believe that Your grace is sufficient enough to include us and others. We know that You have taught us, so that we may teach others of Your mercy and grace, but we turn a blind eye to the many opportunities that You provide. We know that You have sent the Holy Spirit so that we may boldly proclaim Your Kingdom and Your righteousness, but we shy away from this task out of fear of what others might say. Please forgive us for our lack of full devotion. In Jesus' name we pray, Amen.

CELEBRATING THE LIVING WORD

***Closing Song**

***Benediction**

Open Up Our Eyes

Greater is the One who's in us
Greater is the One who
 calls our name
He will never fail
Stronger is the One within us
Stronger is the One
 who fights for us
He will never fail
You will never fail

For Your love endures forever
Oh Your love endures forever
Open up our eyes surround
 us with Your light

Your love endures forever

Mighty is the One who's for us
Mighty is the One who's
 strong to save
He will make a way You
 will make a way

Our God is fighting for us always
Our God is fighting for us all
Our God is fighting for us always
We are not alone we
 are not alone

The Way

Through every battle
Through every heartbreak
Through every circumstance
I believe that You are my fortress
Oh You are my portion
You are my hiding place
Oh I believe You are

The Way the Truth the Life
I believe You are
The Way the Truth the Life
I believe (You are)

Through every blessing
Through every promise

Through every breath I take
I believe that You are provider
You are protector
You are the One I love
I believe You are

It's a new horizon
And I'm set on You
And You meet me here today
With mercies that are new
All my fears and doubts
They can all come too
Because they can't stay long

Here In The Presence

Here I lay my burdens down
Lose my worries in Your love
Casting every care on You
I have carried them enough

We're not alone
Here within His love
Emmanuel
He is still with us

When the world becomes
 too much
Near the cross I will remain
Until every fear is still
At the mention of Your name

Mercy is falling falling
Lift up your hands receive it now
Here in the presence of the Lord

I know your past is broken
You can move on it's over now
Here in the presence of the Lord

Tired of running running
Be still and know He's in control
Here in the presence of the Lord

Pour out your heart before Him
Open your arms He'll
 hold you now
Here in the presence of the Lord

King Of My Heart

Let the King of my heart
Be the mountain where I run
The fountain I drink from
Oh He is my song
Let the King of my heart
Be the shadow where I hide
The ransom for my life
Oh He is my song

You are good good oh
You are good good oh
You are good good oh
You are good good oh

Let the King of my heart
Be the wind inside my sails
The anchor in the waves
Oh He is my song
Let the King of my heart
Be the fire inside my veins
The echo of my days
Oh He is my song

You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down

When the night is
 holding on to me
God is holding on
When the night is
 holding on to me
God is holding on
