Meditation – What is a tree? A tree is an acorn or other seed that found the perfect spot and took off from there. It grew and grew and quickly began to branch. The branches produce the glory of the tree. The branches quickly produce buds that break open into beautiful flowers and then also the fruit and leaves for which the tree is known. The branches do many things. The one thing that they can't do is exist on their own, apart from the tree.

Lord I Need You

Quiet and Personal Confession

Consider this Prayer of Confession:

O God, we confess our sin to You today because even though we know that we have been created to abide in You, we have chosen not to do so. We have tried to find another way. In humility, You call us to bring glory to You. In arrogance, we seek to bring glory to ourselves. In humility, You call us to serve those in need. In arrogance, we reserve the right to pick and choose who and how and when we will make that sacrifice. In humility, You call us to be fed by Your Holy Word. In arrogance, we treat Your Word as if it is no more important than any other voice to which we give authority. Please forgive us, and please teach us how to abide in You. In Jesus' name we pray, Amen.

Call To Worship

Jesus says, "I am the vine, you are the branches. Those who abide in me and I in them will bear much fruit, because apart from me, you can do nothing."

Because God has loved us so much, we also ought to love one another. If we love one another, God lives in us and His love is perfected in us.

There are many reasons why we have not abided in the love of God in the past. We have acted as if it was possible to find a better way.

We will seek to do the will of the Lord. We will worship the Lord in this hour. We will serve the Lord with gladness and joy.

The true vine of God is the source of life and life to the full. Jesus is the true vine. In Him alone there is forgiveness and peace.

We worship the King of kings and the Lord of lords. It is our privilege to serve the one who has set us free and given us new life.
