**Meditation** – Covenant—what does that word mean to you? You should know that covenant is the one word that sums up the entire Bible better than any other single word. It is the idea that God offers a relationship to us. What excites and energizes Christians and gets them to bend their knees in worship is the belief that God has been faithful to that covenant even to the point of fulfilling it in his own blood. Now what does that word mean to you?

### Quiet and Personal Confession

*Consider this Prayer of Confession:*

O God, we confess that we have heard Your call to follow You, but we have failed to answer it. We have failed because even though we have wanted to follow You, we have refused to set aside old habits and patterns of life. We have failed every time that we have chosen a pathway of comfort and ease over Your path of growth and challenge. We have failed to properly respond to Your calling upon our lives whenever we have insisted upon our will being done instead of Yours. We have failed to answer Your calling upon our lives and we confess this sin because we know that we need Your grace and mercy if we are to become all that You call us to be. In Jesus' name we pray, Amen.
