**Meditation** – If something is moving when it shouldn't be, put some duct tape on it. If something isn't moving and it should be, put some WD-40 on it. With those two tools, you can fix many of the world's problems. In our relationship with God, we quite often move too much or too fast to listen and then, at other times, we feel as if we are hopelessly stuck. The one tool that fixes both of those problems is prayer and the repentance and praise that are its active ingredients.

**Announcements**

**\*Song of Worship** Worship Band

**Song of Confession** Worship Band

**Quiet and Personal Confession**

*Consider this Prayer of Confession:*

O God, we know that You have forgiven us of our sin in the suffering and death of Jesus Christ. You have set us free. It is right for us to respond with worship and praise for all that You have done for us. We also know that we must not keep the news of what You have done to ourselves, but we confess that we have. In many times and in many places, the world cannot see our joy, because we are too focused on what we don't have. The world does not hear Your story from us, because we spend too much time talking about other things. The world does not see that we have been made clean by the precious blood of Jesus, because we are too busy trying to be Holy by our own effort and accomplishments. Please forgive us. In Jesus' name we pray, Amen.

**Call To Worship**

Keith Holmes

Clap your hands and shout to God with loud songs of joy, for the Lord is awesome. He is King over all the earth. Let us praise His Holy name.

**We praise God because He is the creator of all things. We praise God because He has redeemed our lives through Jesus Christ, our Lord.**

Let us all praise God with our voices and with our best gifts. May God look with joy upon us as we bow our grateful hearts in worship of Him.

**We will worship Jesus as we have planned and as we always have, and we will worship Him according to the mysterious guidance of the Holy Spirit.**

This is a day of good news. We must tell of it everywhere. We must proclaim the truth of Jesus Christ with hearts and hands and voices.

**Everyone will see that we belong to Jesus Christ. Everyone will see that He is our Lord. Everyone will see our joy for what He has done.**
