### Meditation

Believe it or not, even though we have had the ability to take pictures in color for many years now, there are photographers who still choose to work in black and white. The key to a good black and white photograph is contrast—making sure to limit grey areas while capturing sharp lines between black and white so that the main image will be clear. Christ lives in us. We are the film upon which the image of God is displayed and revealed. It sure would be a shame if no one could clearly see Jesus in that picture.

#### Quiet and Personal Confession - *Consider this Prayer of Confession...*

O God, we confess our faith in the message that Jesus Christ is the Son of God and that He has died to atone for our sin. Yet we also confess that we often make the mistake of thinking that others need this grace more than we do. We know that the door to Heaven is opened only by the death and resurrection of Christ and yet we still live as if we can be saved by our own goodness and merit. We are so lost in sin that our only hope is to be found by You and yet we often act as if You should be honored to be in our presence. Please forgive us for being blind to the grace that has saved us and for ignoring the great price that You paid to make that grace our reality. In Jesus' name we pray, Amen.

Hallowed be thy name. Thy kingdom come,  
Thy will be done, on earth as it is in heaven.  
Give us this day our daily bread;  
And forgive us our debts, as we forgive our debtors.  
And lead us not into temptation,
