

Sermon 5/23/21

## “Roaring to Life”

### Bible Readings:

Ezekiel 37: 1-14

- As a group re-read the scripture for this sermon.
- JD asked us to imagine being Ezekiel as you read this. What do you imagine this would have been like?
  - Describe how this would have affected your faith.
- As in New Orleans if Jesus came through with his can of spray paint... what would your “X” look like?
  - What number do you think would be at the bottom quadrant, and what comments would he have put in the right quadrant?
- With Jesus those that think they’re alive see they’re dead and those that are dead, dry bones roar back to life.
  - Honestly seek God, and assess in your heart which one do you believe you are?
    - How will you change if you find out that you are actually dead?
    - How will you change if you find out that you are actually alive?
- JD points out that “When Jesus is around all sorts of life can happen”.
  - How do you see that in your life?
  - What part of your life do you think God can’t reach or change?
- Do you think the story happened or was it a dream?
  - What is more important you...
    - That it’s true?
    - You understand that God can bring New Life?
      - Why?
- Would you refuse a treatment that you knew would give you 100% positive results?
  - Why do you think people refuse the Holy Spirit?
- Are you open to:
  - Change
  - Blessing
  - The Holy Spirit?
- How will you live your life with that knowledge?
