

## “Harvest”

Ezekiel 3:4-11

Luke 10:1-11

- Re-read the Scriptures together as a group.
- Have you ever done something knowing the outcome will not be what you want, and still did it anyway?
  - How did it feel?
- What business are you in today?
  - What do you think the business of the church should be?
- JD talked about the churches in the world getting lost in the ulterior missions and losing sight of the main thing a church should be doing.
  - Have you lost sight of your mission?
  - How can we help each other keep our focus on the gospel?
- Jesus looks out on the world and sees a harvest. He sees His harvest is ready and He needs workers.
  - What do you think the work of the harvest means?
  - How can we share in the work of the harvest?
  - What do you see as your role in the work of the harvest?
- If Jesus was to ask you to go out and tell the world about Him, would you argue?
  - Would you “tweak” His plan?
  - Would you have something that was “more important”?
- JD talked about the time at a previous church when he tried to make changes to the worship service that were disastrous and he had to admit defeat and change the service back to “the way it way”. He called this “the dumbest thing I’ve ever done.”
  - What is the dumbest thing you have ever done?
- What are we going to do for the Kingdom?
  - How can we change what we do to show others Christ in our lives.
