

O Brother Pt 2

Genesis 45:1-15

Luke 9:51-56

What's the worst or best thing you've done to a sibling?

Re-read the Scripture together as a group.

Joseph could have made his brothers' lives miserable. But he didn't. He had the right to have them killed or imprisoned for life. But he didn't. He could have had them thrown in prison on a whim, he could have had them locked up and forgotten them. But he didn't.

- How do we do with opportunities for revenge?

Jesus' disciples were good at ruining Jesus' teaching moments. Peter was a prime example at the last supper. Peter told Jesus what to do, and what He should and shouldn't do.

- How do we react to that?
- How often do you behave like that?

Why do we live like Jesus said "Yes, call that fire down on them!"?

JD told us: We may not be able to call down fire but we're great masters of "looking down our noses" and judging others harshly; or giving others the cold shoulder and condemning others.

- How do we treat others?
- How can we improve?
