

Sermon 9/12/21

“What Are You Saying”

Bible Readings:

Proverbs 1: 20-33

James 3: 1-8

As a group re-read the passages.

- Tell of a time you said something you regretted.
 - Did it cause you big trouble?
 - Do you beat yourself up over it still?

- JD talked about the Bill of Rights, the Constitution, and the rights and freedoms they give us. He also spoke about how James would rejoice in our freedom, but, he would warn us of the danger of free speech.
 - Are you willing to submit your freedom of speech to Jesus?

- What do you think Jesus will say about what you say?
 - Will he say you used your gift of freedom to speak of Him?

- Do you believe that talking about Jesus is the most important thing you can talk about?
 - Do you actually talk about Jesus?
 - How can we help each other do this?

- If you had a time machine, what would you go back and change

- How often do you pray for “Chokhmah” Godly Wisdom?

- JD asked “What are you saying?”
 - Well? What are we saying about Jesus? About ourselves?
