Meditation – Your story began before you did. It started with your two parents. Their story began with your four grandparents. Their story began with your eight great grandparents. Their story began with your sixteen great great-grandparents. By the time that you get back to your tenth great grandparents, you have accumulated 8,190 total ancestors. That's just the story of how you got here physically. Then there is the story of what you are spiritually.

Quiet and Personal Confession

Consider this Prayer of Confession:

O God, we confess that we have forgotten about how we started with You. We have forgotten that You saved us out of the slavery of sin, by claiming us as Your own. We have forgotten that You have already miraculously delivered us to a new life with You. We have forgotten that You came and found us and forgave us when it seemed as if that was impossible. If You were to ask, we would say that You indeed have done all of these things, but we have also forgotten to live as if our future is completely secure with You. We have forgotten to live as if we are Your children in the joy of knowing that we are headed for Your Promised Land. Please forgive us. In Jesus' name we pray, Amen.

Call To Worship

Keith Holmes

Blessed be the Lord, who has been merciful to us! Our help is in the name of the Lord, who made heaven and earth.

I give thanks to the Lord with my whole heart. I have come to the house of God today to praise the name of Jesus Christ.

Though the Lord is Almighty, He regards the lowly. Even though I have walked in the midst of trouble, God has preserved me.

I bow down and I give thanks to Your name; for You have exalted Your name and Your Word above everything.

The Lord will fulfill His purpose for me. The steadfast love of the Lord endures forever. God will not forsake the work of His hands.

On the day that I called, You answered me. You increased the strength of my soul. Great is the glory of the Lord!
