A WORD FROM REV. GEORLETT

"Ready...Set...Go!"

Those are words that are familiar to us all. We can easily remember a moment from childhood, or even more recently, when someone started a game or a race in that way. Everybody knows what to do when we hear the word, "Go!" but what about "Ready" and "Set"? Obviously, getting ready and set are essential parts of going!

Even though the Church calendar never really stops, we here at Dundee Presbyterian have chosen Sunday, August 25th as the official beginning of our Church year. It's called Rally Day and to commemorate all of the events that will be starting and restarting, we will offer one, joint worship service on that Sunday at 10 a.m.

My hope is that more people than ever before will get involved in events and programs they haven't previously tried, like Koinonia on Wednesday nights or partnering with Regina Wilson in care ministries or joining a small group, among several other possibilities. In other words, I hope and pray that many of you won't just go into the new church year, but that you will go into the new church year in brand new ways.

So, take a look at all of the information in this newsletter and get ready and get set to go. You'll be blessed to experience God in wonderful and refreshing ways if only you will get ready and set to go forward into a few new and wonderful things here at Dundee Presbyterian.

Faithfully Yours,

Rev. J. D. Georlett

TLC FOR DUNDEE GARDENS

This summer we took the opportunity to rally our congregation to clean up around Dundee Presbyterian Church. Our exterior provides an impressive first impression at our church, and we have enjoyed years of gardening care by Ron Crampton. We felt it was time for more of us to step up and continue the necessary work within God's creation.

We started with a group who enjoyed gardening and yard work, and expanded it to anyone who was willing to put in a few hours on a couple Saturdays, including many Troop 42 scouts.

The work included tree removal, weeding, mulching, and trimming to prepare DPC for Rally Day and the years ahead. We have some basic ideas to continue the care of these green spaces and expand some new areas such as near the new southwest entrance. If you'd like to help with gardening, purchasing new plantings or help with the Fall clean-up day on November 9, please contact Nancy Hicks at tskicks@cox.net.

COMMUNITY GROUPS MINISTRY

This year we will be focusing on Community Groups during the Rally Day weekend on August 24 and 25. We'll offer a chance for people to see some of the groups we have already, and an opportunity to help start something new.

We hope these groups will be a place for for all of Dundee Presbyterian Church's members and guests to grow in community, friendship and knowledge of Jesus our Lord.

Look for information about our community groups on Rally Day, and in the month of August. We would love to have you come grow in community with us.

Like our motto says:

"Life is Better When Done Together!"

YOUTH MINISTRY

Our goal is to equip students to be lifelong followers of Jesus in whatever environment they may encounter. Dundee's youth ministry is a safe place for students to come with their questions and doubts and be heard. We seek truth, serve one another and practice grace.

CHILDREN'S MINISTRY

We are planning a great Fall season this year! We will be starting all of our activities in August and September, and we couldn't be more excited.

Kid's Koinonia will be held again on Wednesday nights, beginning Aug. 28. We will be looking at the New Testament and the teachings of Jesus, as well as the events in the life of the apostles and the early church.

Sunday School will begin on September 8, the week after Labor Day, picking up where we left off on our journey through the Bible. The kids will learn about the early days of Israel, and that not all the leaders followed God.

We have had a great summer, and our end of summer party at Carter Lake was a great time!
