We're grateful for Your presence today!

We believe our purpose is to love God and share Jesus Christ. We strive to be a congregation in which all feel welcomed and find opportunities to engage and grow. Wherever You are in Your journey with God, we want You to know You are welcome here.

We are pleased to offer nursery care for children 0-3 years old at every service.

The Chancel Flowers were given in loving memory of Linda Gay by her family.

Things are happening in North Omaha! We are working with ABIDE and God is on the move!

9 a.m. WORSHIP

**Please stand as able*

Meditation – We can measure periods of our lives by what we possessed at the time. Without noticing, people will say things like, “That’s back when we owned our first house,” or “That was back when we had the dog,” or even “That was back when I still had hair.” Some people tell stories of times when they owned something of incredible value, like a car, only to have lost it. According to the Bible, compared to Jesus, we never owned anything of value at all.

Quiet and Personal Confession

Consider this Prayer of Confession:

O God, we confess that we don’t always know where we are, or what we are doing. We confess this, because we pretend as if it is not true and, with this prayer, we want to be honest about our behavior and our choices and our relationship with You. We act as if we are finished, right when we are in desperate need of forgiveness and grace. We are wise in our own eyes, right when we most need to read and to listen and to learn. We are proud of what we have achieved, right when we need to sacrifice and serve. We feel as if we are in perfect rhythm with You, right when we are most distracted by lesser things. Please forgive us, and please restore us to Your truth and reality. In Jesus’ name we pray, Amen.

Into The Wild

There is a calling
You've placed upon me
I've felt it all my life
Step out with both feet
Walk on the water
Leave my past behind

I wanna follow, follow Your heart
In the face of the unknown
I wanna trust You, trust who You are
When I let go, I'm halfway home

Into the wild, oh
It's time to dream like a child again
Into the wild, oh
Letting go is where life begins

We're not so different
We're all just children
Under weathered skin
Forever searching
We're on a journey
Back to innocence

Yeah I can see it now, see it now
Heaven is all around, all around
Yeah I can see it now, see it now
Heaven is all around

As I follow, follow Your heart
There's no fear of the unknown
So I trust You, trust who You are
As I let go, I'm finally home

Letting go is where life begins

Open Up The Heavens

We've waited for this day
We're gathered in Your name
Calling out to You
Your glory, like a fire
Awakening desire
Will burn our hearts with truth
You're the reason we're here
You're the reason we're singing

Open up the heavens
We want to see You
Open up the floodgates
A mighty river
Flowing from Your heart
Filling ev'ry part of our praise

Your presence in this place
Your glory in our face
We're looking to the sky
Descending like a cloud
You're standing with us now
Lord unveil our eyes
You're the reason we're here
You're the reason we're singing

Show us
Show us Your glory
Show us
Show us Your power
Show us, show us Your glory, Lord

Yes I Will

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will

I choose to praise
To glorify glorify
The name of all names
That nothing can stand against

For all my days
Yes I will

Cast My Cares

In the middle of the night
When worry finds me
In the middle of the fight
When strength is gone
In the middle of a fire
When fear is closing in
You are, You are my song
You're my hope, when hope is gone

I will cast my cares on You
the almighty
I will cast my cares on You
'cause You're good
I will cast my cares on You
'cause You love me, You love me
Oh, oh because You love me
Oh, oh because You love me

God of glory
You are able
Through Your power
To be faithful
God of mercy
Every moment
You are near to me

In the middle of the night
I'll pray with confidence
In the middle of the fight
You're greater still
In the middle of a fire
Your love is holding me
You are, You are my song
You're my hope, when hope is gone

The Way

Through every battle
Through every heartbreak
Through every circumstance
I believe that You are my fortress
Oh You are my portion
You are my hiding place
Oh I believe You are

The Way the Truth the Life
I believe You are
The Way the Truth the Life
I believe (You are)

Through every blessing
Through every promise
Through every breath I take
I believe that You are provider
You are protector
You are the One I love
I believe You are

It's a new horizon
And I'm set on You
And You meet me here today
With mercies that are new
All my fears and doubts
They can all come too
Because they can't stay long
(When I'm here with You)
(When I believe You are)
