### **A Mission 50th Anniversary – Cameroon, West Africa**

Fifty years ago Dr. Ed Stimson retired after serving Dundee Church for twenty years as Senior Pastor. John Martig, Youth Pastor Jack Bowers, and five high school boys were sent to Kambele Mission Station in Cameroon, West Africa, as "Dr. Ed's" retirement gift from the congregation. The team spent six weeks there helping build a three-room classroom building of mud blocks.

Dundee will celebrate the 50th anniversary of this mission trip Sunday, July 31, showing pictures between the 9:00 and 11:00 services. Several members of the mission team will be travelling to Omaha to celebrate together. Please join us!

## Mission Partner Focus – Hope for the Hopeless

This is a newly formed, Christian-based, higher education program for those in prison which focuses on changing the life trajectory of those incarcerated — improving the safety and security of our communities, and expanding the kingdom of God on earth.

Hope to the Hopeless looks to change the usual trajectory of almost 80% of prisoners who will return to prison by offering classes in Bible studies. We have the opportunity to help to transform the life trajectories of those in prison and improve their success in remaining free upon release! Education, the opportunity for higher education, can be that difference between a return to prison or a life of freedom in Christ.

## Composting at Dundee

Dundee Church, as good stewards of God’s creation are pleased to announce that we are now composting! We are committed to reducing our waste and we are so excited for the church family to join in the effort. What does this mean for your church experience?

- Read the labels on the trash cans – there are instructions on them
- The coffee cups, water cups, plates, and napkins from the church can be discarded in the compost bins
- All food waste goes into the compost bins
- Next year we’ll be using compost from Hillside Solutions for our church gardens!

**Church offices hours are currently 8:00AM-1:00PM**

**If You would like to have a church announcement in the bulletin or online please e-mail Your information to Shelly at [bulletins@dpcomaha.org](mailto:bulletins@dpcomaha.org).**

**Please observe all parking and non-parking zones around the church.**

**Meditation** – Farming is all about knowing what time it is. It’s also about believing in the purpose and in the potential of things like seeds and water and soil and sunlight. The farmer knows that there is a time for everything to be done and there is a reason for everything to be. When the time comes, the farmer goes and harvests the crop. The farmer’s hope and hard work combine with the elements of nature to produce something wonderful, to the glory of God.

*Consider this Prayer of Confession:*

O God, we confess that we have not been consistent in our response to You. We have sought You out for the healing and renewal of our lives, but we have questioned Your commands to the point of inaction. We have devoted our lives to following You, but we have been afraid to share the Gospel of Jesus Christ with others. We want to be Your people, but like ancient Israel, we want to live out that relationship according to our terms, rather than Yours. Our neglect of Your calling and command has left much work to do and a harvest of righteousness to be gathered. Please forgive us and please bless us with a bold Spirit of joyful and obedient faith. In Jesus’ name we pray, Amen.
