Meditation – There is no canyon that is more grand than the Grand Canyon. There are many that are beautiful and special and memorable in their own way, but the Grand Canyon is incomparable. It is the ultimate in that form of God’s creation. It is revered because we have never seen anything more perfect. The followers of Jesus testify to what God has re-created with mercy and grace, even when they don’t feel as if they are very grand.

Quiet and Personal Confession

Consider this Prayer of Confession:

O God, You have brought us back from the dead by forgiving our sin. You have brought us back from the dead by the power of Your mercy and grace. You have brought us back from the dead by the movement of the Holy Spirit. We were dead, and now we are alive in You, but we confess that we often live as if nothing special has happened to us at all. We live as if Your death and incredible sacrifice, was just something that we deserved. We are guilty of acting as if what You did for us was something that You owed to us. We live poorly when we live under this assumption. With this confession, we hope to end the power of these lies, and we reach out to You for new life. In Jesus’ name we pray, Amen.

Go Tell It On The Mountain

Go tell it on the mountain
Over the hills and ev'rywhere
Go tell it on the mountain
That Jesus Christ is born
While shepherds kept
 their watching
O'er silent flocks by night
Behold throughout the heavens
There shone a holy light

The shepherds feared
 and trembled
When lo above the earth
Rang out the angel chorus
That hailed the Savior's birth
Down in a lowly manger
The humble Christ was born
And God sent us salvation
That blessed Christmas morn

This Is The Day

Can you hear it
The gentle voice of the Spirit
There's no reason to fear it
He's calling you to life
Just surrender
Run into the arms of the Father
The night is finally over
Take a step into the light
This is the day when the
 lost are found
This is the day for a new beginning
Amazing grace how
 sweet the sound
Oh can you hear all the
 angels are singing
This is the day the day
 when life begins
Can you see it
A light shines into the darkness

Bringing hope to the hopeless
It's leading you to life
This is the day
When all your sins are
 washed away
In the waves of His unending grace
Forever you're alive
Have no fear
Salvation has come and He is here
Have no fear
Salvation has come and He is here
Have no fear
Have no fear
This is the day when the
 lost are found
This is your beginning
Amazing grace how
 sweet the sound
Oh I can hear the angels sing

Graves Into Gardens

I searched the world but
 it couldn't fill me
Man's empty praise and
 treasures that fade
Are never enough
Then You came along and
 put me back together
And every desire is now
 satisfied here in Your love
Oh there's nothing better than You
There's nothing better than You
Lord there's nothing
Nothing is better than You
I'm not afraid to show
 You my weakness
My failures and flaws
Lord You've seen them all
And You still call me friend

'Cause the God of the mountain
Is the God of the valley
And there's not a place
Your mercy and grace
 won't find me again
You turn mourning to dancing
You give beauty for ashes
You turn shame into glory
You're the only one who can
You turn graves into gardens
You turn bones into armies
You turn seas into highways
You're the only one who can

All Who Are Thirsty

All who are thirsty
All who are weak
Come to the fountain
Dip your heart in the stream of life
Let the pain and the sorrow
Be washed away
In the waves of His mercy
As deep cries out to deep
(We sing)

Come Lord Jesus come
Come Lord Jesus come
Holy Spirit come
Holy Spirit come
As deep cries out to deep
As deep cries out to deep
As deep cries out to deep we sing

Better

All the money that the
world could hold
Mountains made of solid gold
Riches that could buy my dreams
You are better than all these things
The prettiest face to turn their eyes
Beauty that could hypnotize
The open doors that
looks may bring
You are better than all these things
Your love is better than life
You are the well that won't run dry
I have tasted and I have seen
You are better than all these things
(You are better than
all these things)

Power that could shake the moon
Most important one in every room
Status matched by only kings
You are better than all these things
Being liked and loved by everyone
Approval that outshines the sun
Cheered by all who think of me
You are better than all these things
You are better than all these things
You are better oh You're better
I have tasted and I have seen
You are better than all these things
Oh I know You are better
than all these things
I know You are better
than all these things
