## THE YEAR OF MISSIONS ENGAGEMENT KICKS OFF AUGUST 26!

We hope you have enjoyed the information shared this year during our Mission Partner of the Month Sundays. As we continue to raise awareness on the opportunities to serve, we encourage you to prayerfully consider how you may become more involved. The words of Jesus from Mathew 9:37-38 certainly still ring true today. Jesus said to His disciples, **"The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field."**

In that Spirit, we are asking you to join us in the harvest field. The theme for our missions ministry for the upcoming education year is the **Year of Missions Engagement!** Naturally, being engaged in missions is more than a one year focus, however, we want to highlight opportunities to continue to build on the enthusiasm to **"Get out of the seats and into the streets."**

The year will start with a survey to be conducted in August to find out where you may be currently serving and to learn what areas of interest in missions you may want to learn more about.

We invite you to stop by the Missions Engagement Booth during the church picnic at Rally Day, August 26th to pick up a missions calendar of events, sign up for one of our many service opportunities, meet the mission committee members and ask any questions you may have about regarding missions.

You also don't have to wait until August 26 to get involved or ask questions about missions, feel free to visit with any Mission Committee members at any time.
