We are pleased to offer nursery care for children 0-3 years old at every service.

### Prelude and Meditation

We've seen it happen many times, but we hardly give it a thought. We all know what it looks like and what it sounds like when a large crowd roars, yet, what causes it? It's caused by something that the people have seen or heard, but more specifically, that roar is in response to something that they like; something for which they are thankful. Considering who Jesus is and what He has done for us, we ought to be roaring all the time.
