Dundee Mission & Abide Workday

DPC will be working on the ABIDE house at 3222 N. 41st Street next Saturday, Oct. 15th from 9AM until Noon. We will have yard work, cleanup and carpentry to do, so please plan to join us in North O to share your talents and God's love with those that need it most.

Sign Up for 2X4 Dinners

We are very excited to announce a new group program here at DPC, we're calling 2X4 Dinners. We will be registering people throughout October to create a rotating "Dinners for 8" schedule. Singles as well as couples are encouraged to sign up. These social events will allow us to mingle with one another and meet new people in the church, and we'll be incorporating ways to help the Omaha Street School one of our mission partners.

Meditation – Leprosy is a terrible disease that was prevalent in ancient times. A person with leprosy was thought to be cursed by God, was separated from society, and had no hope of recovery. The Bible tells the story of several people being healed of leprosy and bringing glory to God. We're supposed to read their stories and see the story of what God has done for us. We may never have leprosy, but we know that we have been healed and have received new life.

Quiet and Personal Confession

Consider this Prayer of Confession:

O God, as we think about how You have called us, we know that it is a calling to a life of self-denial and service. We confess that we know that You have called us to think of others as better than ourselves. You have called us to care for your people when they are hungry, or lost, or alone, but we have left that work for others to do. You have called us to shine the light of your love to a very dark world, but we have chosen to not stand out from the crowd. You have called us to a ministry of forgiveness and grace, that You first shared with us, but we have hidden that gift away from those in our lives who need it most. Please forgive us. In Jesus' name we pray, Amen.
