A WORD FROM REV. GEORLETT

On July 21, 1969, Neil Armstrong became the first human being to set foot on the Moon. With that, Armstrong achieved something that began in the wildest dreams of people, hundreds and even thousands of years before Armstrong was born. Over many years, those wild dreams grew into hopes and then specific plans before finally becoming reality.

Yet, no one person could ever even begin to achieve something so great alone. The great accomplishment for which Neil Armstrong is known, was the product of many people pooling their God-given gifts and intelligence to achieve an awe-inspiring goal.

The task of going to the moon may seem to be far more memorable and spectacular

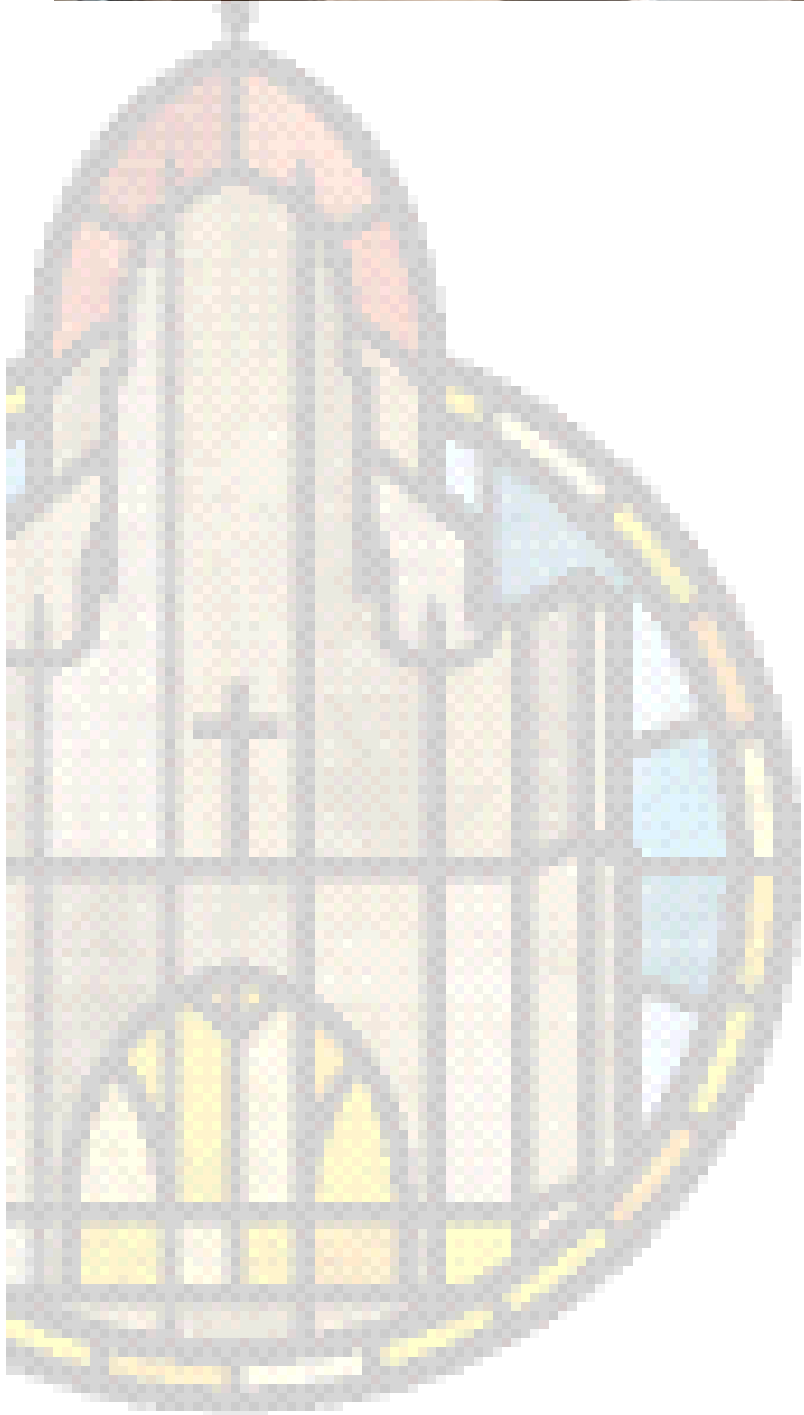

than any goal that a church like ours could ever have, but it isn't more important. Our goal is to be a community of faith that is filled with the Holy Spirit, and focused on serving and glorifying Christ. We should also never forget that, while the work of going to the Moon is now done, the work of following Jesus Christ never ends.

This newsletter is filled with everything you need to know about all of the things that we are going to be doing here at Dundee over the next several weeks. This is more than a simple list of events. This is the continuation of our greatest goals and we'd love for you to be along for what has always been a great ride!

Faithfully Yours,

Rev. J. D. Georlett

KIDS MINISTRY

Summer Time and the Livin' is Easy!

Hello from the Kingdom Kids of Dundee Presbyterian Church!

This spring has been a wonderful time of renewal and growth, and snow ... we've had to deal with that too.

We finished up our Sunday School year with a walk through the first books of the Bible. Our Children's Choirs sang on multiple occasions, and we had a joyful Easter!

This summer we will be looking forward to Vacation Bible School, planned for June 24 to 28 from 9 a.m. to noon each morning, as well as some other fun summertime activities like we have had in the past. Trips to Mahoney State Park, swimming at Carter Lake and other activities are in the works. We'll also be walking in the Dundee Day Parade again as well!

MUSIC MINISTRY

First off, Wow!! What a fantastic year of music making!

Thank you to all the choir members, praise band, kids choir, adult bells, youth bells, and parents you all made this year special. Summer is more of quiet time for music, but also a great time to get involved.

We need you to make our music program great. Summer choir starts at the end of May. This is a great time of year for people who would like to try us out because we will meet only at 10:15 most Sundays during the summer.

We are also always looking for new band members for the 9 a.m. service, so please let me know if you are interested.

More information will be coming out soon about the next year of great music we'll make while praising our Lord.

HEALTH MINISTRY

Colon Cancer Screening Kits

After each service in May, FREE Colon Cancer Screening Kits will be available outside of J.D.'s office to people ages 45 to 74 years, or with a history of colon cancer in their family.

Tai Chi

The spring session of Tai Chi will end on May 25 and the summer session will begin June 4. Tai Chi classes are held Tuesday evenings from 5:30 p.m. to 6:30 p.m. in the Underground. The fall schedule will begin September 9.

Foot Care Clinic

Some openings are still available for the Foot Care Clinic scheduled for May 31. Call Regina at 402-558-2330 to make an appointment.

New Senior Group

A new senior group will likely start in July. An informational meeting will be held in June.

Medical Equipment

Several types of FREE medical equipment, including canes, walkers, crutches, shower chairs, commodes, toilet seat risers, a stair lift and a hospital bed, are available in the medical equipment closet.
